Subject: I've Called For You To Be Investigated

Mr. Jacobs,

It seems you are either a willing criminal supporting a criminal president, or you are a coward that has allowed himself to be bullied by the criminal president. After a week of the president's blatant lies and **criminal defacement** of national meteorological documents regarding Dorian's storm path, you have thrown the Birmingham NWS under the bus and defended the lying, criminal president.

I have called both my senators to demand that **you be investigated for fraud.**

Get yourself a good criminal defense attorney. The American people are not going to put up with one ounce of your criminal behavior. You will be held accountable.
